## **MaximumASP Joins New BrowserHawk Certified Hosting Partner Program Offered by cyScape, Inc.**

*New program certifies MaximumASP as a BrowserHawk hosting partner. MaximumASP now offering BrowserHawk as optional add-on to dedicated server hosting plans.*

**ROCKVILLE, Md.** (April 10, 2008) – cyScape<sup>®</sup>, Inc., creator of BrowserHawk<sup>®</sup>, the industry standard solution for ensuring a flawless web experience, today announced that MaximumASP, a Microsoft Gold Certified Provider of web hosting and managed IT services, has joined the BrowserHawk Certified Hosting Partner Program. Under the terms of this new program MaximumASP is now offering cyScape's BrowserHawk Enterprise Edition as an optional add-on to all dedicated server hosting plans.

"We are very pleased that MaximumASP selected BrowserHawk as the preferred solution of choice to help its customers deliver a flawless web experience to every site visitor", states cyScape CEO Richard T. Litofsky. "MaximumASP demonstrated great knowledge of BrowserHawk and proven expertise in supporting our product in a hosted environment to meet the criteria for this program and we are happy to have them onboard."

"We are excited to be accepted into the BrowserHawk Certified Hosting Partner Program", states Silas Boyle, Managing Partner for MaximumASP. "BrowserHawk is one of the most popular offerings within our shared hosting plans, and through this program our dedicated customers can now put the power of BrowserHawk to work on their web sites as well".

The BrowserHawk Certified Hosting Partner Program enables hosting providers with proven expertise to offer BrowserHawk directly to its customers for a small monthly fee.

"I am thrilled to now have BrowserHawk installed on our dedicated server at MaximumASP", states Mark Patteron, CEO of Big Picture Tours. "This new program made it very convenient and affordable for us to get up and running quickly with BrowserHawk. Combining BrowserHawk with their dedicated hosting plan adds a great deal of value to their service, and we jumped at the chance to take advantage of this offering."
